**DRAFT**

**CITY OF ANN ARBOR – PARKS ADVISORY COMMISSION
MEETING MINUTES
 November 17, 2009**

The regular meeting of the Park Advisory Commission was held on Tuesday, November 17, 2009 at 4:00 p.m. at the Washtenaw County Administration Building in the County Board of Commission Public Meeting Room, 220 N. Main St., Ann Arbor, Michigan.

I. The meeting was called to order at 4:12 p.m. by Chair S. Rosencrans.

II. Roll Call:

Members Present: (9) S. Rosencrans, S. Offen
 G. Nystuen, T. Berla, D. Barrett, J. Grand,
 D. Chapman, K. Levin, J. Lawter

Ex-Officio Members Present: (2) M. Anglin, C. Taylor

Ex- Officio Members Absent: (0) None

Members Absent: (0) None

Staff Present: (5) C. Smith, D. Kelly, A. Walton, D. Borneman,
 J. St. John (attending for L. Bowen in her absence)

APPROVAL OF AGENDA – Commissioner Rosencrans asked for a motion to approve the agenda, Commissioner Offen moved, supported by Commissioner Berla to approve the agenda.

Commissioner Rosencrans stated there would be an addition (Art on the River) to the agenda under Special Presentations.

PUBLIC COMMENTARY - AGENDA ITEMS (3 Minutes per Speaker)

Paul Bancel, member of the Golf Advisory Task Force, expressed thanks to several members and staff pertaining to the hard work for the past 2 years.

Jane Lumm, member of Ann Arbor Golf Association expressed thanks and stated many were impressed by Doug Kelly's attention to detail at the golf courses; she also thanked the Park Advisory Commission for their support.

A - APPROVAL OF MINUTES

T. Berla moved, supported by K. Levin to approve the minutes of the October 20, 2009 meeting as written. The minutes of October 20, 2009 were approved unanimously.

SPECIAL PRESENTATIONS

Golf Courses – Review of 2009 Season

D. Kelly summarized in depth the highlights and changes that have occurred over the last 2 years for both Leslie Golf Course and Huron Hills Golf Course in a Power Point presentation. He also summarized upcoming plans for 2010.

57 **G. Nystuen** stated she understood that golf courses are careful with chemicals used.

58
59 **D. Kelly** said the State guidelines and regulations are followed.

60
61 **T. Berla** asked if D. Kelly knew the financial results at each golf course.

62
63 **C. Smith** said he will update the Commission with the financial information regarding the golf
64 courses.

65
66 **J. Grand** stated the number of rounds at the golf courses has gone up but revenues haven't gone
67 up as fast due to focusing bringing people back to the golf courses. She also stated the golf courses
68 are doing progressively well.

69
70 **C. Smith** added the rounds were increasing but revenues were not increasing as much, but are
71 consistent with other golf courses. C. Smith stated people are playing golf, but are paying less.

72
73 **J. Lawter** complimented D. Kelly on the good job that is being done at the golf courses.

74
75 **M. Anglin** stated community involvement and staff involvement has brought positive results.

76
77 **S. Rosencrans** asked if there has been an increase with leagues, outings, and food sales.

78
79 **D. Kelly** stated leagues are fairly stable. There is a plan for in-house leagues this year and when
80 they are up and running well; they will be turned over to one of the members of the league to
81 continue. There has been an improvement with the travel groups with 40 –50 people.

82
83 An addition of a chicken salad croissant was added to the menu and is well received.

84
85 **D. Barrett** asked about merchandise sales.

86
87 **D. Kelly** stated merchandise sales were low on the priority list; the plan for the upcoming year is to
88 develop new logos for each golf course.

89
90 **S. Offen** stated that Miles of Golf had been helpful in promotional activities.

91
92 **D. Kelly** stated they were a key tournament sponsor with financial backing and the City has Miles of
93 Golf logo on certain merchandise. D. Kelly also stated Miles of Golf has been instrumental in
94 promoting the game of golf.

95
96 **J. Grand** felt the expertise of the Golf Task Force was great and hoped it continued.

97
98 **Natural Area Preservation – Reporting on Flying Wildlife**

99
100 **D. Borneman** read the Proclamation of Appreciation for being the Natural Area Preservation
101 Volunteer of the Year, Roger Wykes.

102
103 **R. Wykes** stated he has volunteered for many years and appreciated being recognized.

104
105 **D. Armstrong** outlined all the aspects of what the Natural Area Preservation and its volunteers do
106 for the breeding bird survey, which has been conducted each year since 1995.

107
108 **S. Rosencrans** asked if there were any species in trouble, particularly in Ann Arbor.

109
110 **D. Armstrong** stated that the Blue Winged Warbler was having trouble. She said the City has a
111 good habitat, but birds may be having trouble outside our area.

112
113

114 **S. Rosencrans** asked if any species are doing well in Ann Arbor.
115
116 **D. Armstrong** stated that Bobolinks are doing great at the Wheeler Center site.
117
118 **D. Borneman** added that making small changes have made great improvements.
119
120 **J. Lawter** asked if there were descriptions of the habitats located anywhere.
121
122 **D. Armstrong** stated no, but staff can answer questions regarding habitat locations in the City.
123
124 **T. Berla** asked if signage regarding leashing your dogs was going to go up at any parks.
125
126 **D. Borneman** stated they would look into either posting signs or postcards being located at those
127 parks where people walk dogs.
128
129 **Art on the River**
130
131 **William Dennisuk** shared a presentation regarding public art in depth with the Commission. W.
132 Dennisuk shared his background stating he was invited by the University of Michigan as part of the
133 Visiting Artist program as a guest artist to help organize a public art project.
134
135 W. Dennisuk stated public art can transform an environment it's located in and temporary public art
136 projects can enrich our environment, create a destination for visitors, explore the potential of nature,
137 and create points of contemplation.
138
139 The process of developing ideas and getting permission has begun and hopes are to install several
140 pieces of temporary artwork in the Huron River and other areas. Pictures were shared with the
141 Commission of various types of public (outdoor) art.
142 **S. Offen** asked if the City wanted to keep the art permanently, would this be possible.
143
144 **W. Dennisuk** said if the City wanted to keep the temporary art permanently, it would be turned over
145 and be the City's responsibility.
146
147 **S. Offen** expressed concern regarding the canoeist's use of the river.
148
149 **C. Smith** said there was concern and C. Saam, the Liveries Facility Supervisor would be consulted
150 in regards to the placement of the art should the project move ahead.
151
152 **D. Barrett** stated there are a number of river users and asked if these users have been consulted.
153
154 **C. Smith** stated he was aware of the potential impact of the placement of anything in Argo Pond that
155 would interfere with rowing and this would be taken into consideration if the project moved forward.
156
157 **W. Dennisuk** stated that there would be public meetings to allow the public's input. W. Dennisuk
158 asked if the City or the Park Advisory Commission support this idea so he could start working with
159 students at the University.
160
161 **S. Rosencrans** stated this project should be discussed further with other city departments and the
162 public prior to it moving forward.
163
164 **J. Grand** stated W. Dennisuk had a short deadline regarding this project.
165
166 **T. Berla** suggested a timeline be developed and work with staff and possibly City Council.
167
168 **S. Rosencrans** requested that C-2, Review of PAC Retreat, be moved to the next meeting in
169 December, the Commission agreed.
170

171 **PUBLIC HEARING**

172
173 **B - UNFINISHED BUSINESS**

174
175 **C - NEW BUSINESS**

176
177 **C-1** Proposed Amendment of Pac By-laws

178
179 **S. Rosencrans** outlined his proposed changes and explained why he proposed the
180 changes to the by-laws.

181
182 **S. Offen** asked why a unanimous vote would be needed when appointments were
183 made.

184
185 **S. Rosencrans** stated the community holds the service of the Commission in high
186 standards and feels a unanimous vote would give full faith and credibility behind their
187 responsibility.

188
189 The Commission was asked to think about the proposed amendments to be voted on
190 at the December 2009 meeting.

191
192 **C-2** Review of PAC Retreat (***This item was moved to the December 2009 meeting***)

193
194 **D - COMMISSION PROPOSED BUSINESS**

195
196 **E - REPORT FROM PARKS AND RECREATION MANAGER**

197
198 **F - REPORT FROM MANAGER OF FIELD OPERATIONS**

199
200 **G - REPORT FROM RECREATION ADVISORY COMMISSION**

201
202 **H - REPORTS FROM RELEVANT COMMISSIONS, COMMITTEES, BOARDS AND/OR TASK FORCES**

203
204 **I - PUBLIC COMMENTARY – GENERAL (3 Minutes per Speaker)**

205
206 **J - CLOSED SESSION TO DEAL WITH PRIVELEDGED CLIENT ATTORNEY INFORMATION**

207
208 **S. Rosencrans** asked for a motion for the Commission to go into closed session.

209
210 **T. Berla** moved, supported by **S. Offen** for the Commission to move into closed session. The Commission
211 agreed unanimously. A roll call vote was done.

212
213 **K - TRANSMITTALS**

214
215 **K-1** City Council Items Update

216
217 **K-2** Park Project Update

218

221
222 There being no further business to come before the Commission; Commissioner Berla moved,
223 supported by Commissioner Offen that the open meeting be adjourned at 6:05 p.m., the
224 Commission moved to a closed session.

From: Scott Rosencrans
Chair, Park Advisory Commission

November 17, 2009

To: PAC Members

Re.: Amendment to Bylaws

Dear Fellow PAC members:

Article IX, Section 1 of the current bylaws reads, in part, regarding committees:
“...and may contain other community members in PAC’s discretion.”

Article IX, Section 2 currently reads:

“Members of committees shall be appointed by the Chair in consultation with the Parks and Recreation Services Manager and approved by PAC. Membership on committees shall be open to community members as deemed appropriate by the Chair.

My concern is that there is no device or remedy for the ability of PAC as a body to demonstrate or assert its “discretion”, as in Section 1; and, for the Chair to have the ability to demonstrate “appropriateness” as stated in Section 2. However, I believe that if nominees to standing committees were to be required to be approved unanimously by the body it would provide a remedy for both.

Therefore, I am proposing that the language in Section 2 be changed to read as follows:

“Members of committees shall be appointed by the Chair in consultation with the Parks and Recreation Services Manager and approved by **the body of PAC in the form of a unanimous vote by the members present at the time that nominations are considered.**” (additions to language in bold)

As a reminder: the way the process works is that the person proposing the amendment (me in this case) brings it to a meeting and it is voted on at the following meeting. If approved by PAC the amendment is then reviewed by the City Attorney’s office and sent to City Council for approval.

Sincerely,
Scott Rosencrans

**BYLAWS OF THE
PARK ADVISORY COMMISSION - CITY OF ANN ARBOR, MICHIGAN**

Article I Name

The name of this citizen board shall be the Park Advisory Commission.

Article II Enabling Authority

Ann Arbor City Charter, Section 5.17, provides that the City Council may create a citizen board for the Department of Parks and Recreation. The Park Advisory Commission was established by resolutions of the Ann Arbor City Council on August 17, 1981 and December 7, 1987.

Article III Purposes, Objectives, and Duties

Section 1. The purpose of the Park Advisory Commission ("PAC") shall be to provide a consistent and formal opportunity for public involvement and perspective regarding community park and recreation services and to provide advisory recommendations to the Parks and Recreation Manager, Field Operations Manager, Community Services Area Administrator, Public Services Area Administrator, the City Administrator and the Council. The operation of PAC shall not impair the authority or responsibility of Parks and Recreation Services. PAC shall be responsible directly to the Mayor and City Council.

Section 2. PAC is an advisory body and shall be limited to performing the tasks enumerated in these bylaws or otherwise delegated to it by City Council. By City Council resolution, PAC is charged with the following powers and duties:

- a) To provide advice and recommendations, as requested, to the Manager of Parks and Recreation Services, the Field Operations Manager, the Community Services Area Administrator, the Public Services Area Administrator, the City Administrator and City Council regarding:
1. Park rules and regulations
 2. Community park and recreation services philosophy
 3. Park and recreation facility policies, including, but not limited to, fees and charges, hours of operations and scheduling
 4. Park maintenance and forestry standards
 5. Annual operating budget and review of quarterly financial statements
 6. Annual capital improvement budget
 7. Parkland acquisitions and Parkland easements or controls
 8. Park development/rehabilitation projects
 9. Capital improvement and acquisition funding, including millages, bond issues, or related programs
 10. Major new development projects (residential, transportation, commercial, etc.) which significantly impact park and recreation services
 11. Public information and interpretation of the total park and recreation program to the community
 12. Any matter which may be referred to the Park Advisory Commission by City Council or the City Administrator, or any park policy that is a matter of concern to a member of PAC or to the community.

Article IV Membership

Section 1. PAC shall be composed of twelve (12) members. Nine (9) members shall be voting members and three (3) members shall be non-voting.

Eight (8) voting members shall be appointed by the Mayor with the approval of City Council from among candidates who are residents of the City of Ann Arbor who have demonstrated their interest in Ann Arbor's parks and recreation services and who are able to make a time commitment to serve. One (1) voting member shall be appointed by and from the membership of the Recreation Advisory Commission.

Non-voting members shall consist of the Manager of Parks and Recreation Services and two (2) members of City Council who shall be appointed or removed at the discretion of the Mayor.

Section 2. All members of PAC shall serve without compensation.

Section 3. All voting members shall be appointed for a three-year term, except the member appointed from the Recreation Advisory Commission ("RAC") shall be appointed for a two-year term. In order to insure that approximately one third of the voting members' appointments expire each year, initial appointments shall be three (3) members for a one-year term, three (3) members for a two-year term (including the RAC member), and three (3) members for a three-year term.

Section 4. Consistent with City Charter § 12.2, all members of PAC shall be registered electors in the City of Ann Arbor, unless an exception is granted by a resolution concurred in by at least seven (7) members of City Council.

Section 5. Members whose term has expired shall hold over and continue to serve as members of the Board until a successor has been appointed. Consistent with City Code § 1:171, no member shall be allowed to hold over for more than sixty (60) days beyond the appointed term whether or not a successor has been appointed, except that City Council may extend terms for periods of ninety (90) days upon the recommendation of the Mayor and vote of at least six (6) members of Council.

Section 6. Consistent with City Code § 1:171, the Mayor shall notify City Council of the expiration of a member's term at least thirty (30) days prior and shall present to City Council all proposed reappointments no later than sixty (60) days after the expiration of the term.

Section 7. Consistent with City Code § 1:171, any vacancy on the Board occurring in the middle of a term shall be filled for the remainder of the term in the same manner as for full-term appointments.

Section 8. Members are expected to attend regularly scheduled meetings and to notify the Chair and the Manager of Parks and Recreation Services in advance if they expect to be tardy or absent. If a member misses more than three (3) regularly scheduled meetings in a twelve (12) month period, the Chair shall notify the Mayor and may recommend removal of the member.

Section 9. A member of the Board may be removed by City Council for cause following notice and a hearing.

Section 10. No person who has served on PAC continuously for 6 years shall be eligible for

reappointment to PAC until three (3) years have elapsed from the date his/her service ended.

Article V Ethics and Conflicts of Interest

Section 1. A PAC member shall abstain from discussion or voting on any matter where that member is involved in a real or apparent conflict of interest.

Section 2. A PAC member shall neither solicit nor accept gratuities, favors, or anything of monetary value from entities in a position to benefit from a decision of PAC.

Section 3. A PAC member shall not obtain, for himself/herself or for any person with whom he/she has business or family ties, any financial or beneficial interest in a matter which may be affected by a decision of PAC. This restriction shall apply during the member's tenure on PAC and for one year thereafter.

Section 4. A PAC member shall abstain from discussion or voting on any matter from which that PAC member, any member of his/her immediate family, his/her partner, or a person with whom PAC member has family or business ties may obtain a financial interest or other benefit.

Section 5. Except where it violates a confidence, a PAC member shall disclose all pertinent facts regarding any possible conflict, real or apparent, and those facts shall be recorded in the minutes of the proceedings. The member may then abstain from discussion and voting on the matter.

Section 6. PAC members shall complete an annual disclosure of organization affiliations and shall update this disclosure in writing at any time during the year when such affiliations change.

Section 7. PAC members shall comply with the ethical requirements of these bylaws in a manner consistent with all applicable laws governing conflicts of interest.

Article VI Officers

Section 1. The officers of PAC shall be a Chair and Vice-Chair. The officers shall be elected by secret ballot each year from among the voting members of PAC. The officers shall be elected for a one-year term by a majority of the voting members present. No member shall serve more than three (3) consecutive one-year terms in one office. The term of the officers shall run from the beginning of the first regularly scheduled meeting on or after September 1 of each year to the beginning of the first regularly scheduled meeting on or after September 1 of the following year.

Section 2. The Chair shall preside at all meetings and shall decide points of order and procedure subject to the provisions of these bylaws and in accordance with Robert's Rules of Order, as revised. The Chair shall have the privilege of discussing and voting on all matters before PAC. The Vice-Chair shall assume the duties of the Chair in the Chair's absence.

Section 3. When an office becomes vacant before the expiration of the current term, the vacancy shall be filled in the same manner as full-term offices and the new officer shall serve the remainder of the term. Should an officer resign or be removed from PAC, or otherwise become unable to fulfill his/her official duties before the expiration of his/her term, a replacement officer shall be elected at the next regularly scheduled meeting and shall serve for the remainder of the term. The replacement officer shall be elected in the same manner as for full-term officers. The Vice-Chair may be elected as replacement Chair, in which case a replacement Vice-Chair shall be elected at the same time.

Section 4. No individual may hold more than one (1) office at a time.

Article VII Meetings

Section 1. PAC shall conduct regularly scheduled meetings at least monthly. The schedule of regular meetings for the following year shall be determined by PAC before the end of the current year. Public notice of the year's schedule of regular meetings shall be posted at least forty-eight (48) hours prior to the first meeting of the year.

Section 2. Special meetings may be called by the Chair or by any five (5) of the voting members currently serving on PAC. The purpose of the special meeting shall be stated in the public notice for that meeting. At the special meeting, PAC may not conduct any business beyond the specific purpose stated in the public notice, except by unanimous consent of the voting members present. Public notice of the special meeting shall be posted at least eighteen (18) hours prior to the scheduled starting time.

Section 3. PAC may hold non-voting working meetings to carry on the work of PAC. Public notice of the working meeting shall be posted at least eighteen (18) hours prior to the scheduled starting time.

Section 4. Public notice of committee meetings shall be posted at least eighteen (18) hours prior to the scheduled starting time.

Section 5. Public notice of all meetings shall be posted at City Hall.

Section 6. Notice of each meeting shall be provided to all members of PAC at least forty-eight (48) hours prior to the scheduled starting time for all regular and special meetings and at least eighteen (18) hours prior for all rescheduled and committee meetings.

Section 7. The Chair may cancel a meeting due to weather, emergency, or other circumstances that may substantially limit the ability of members of PAC or the public to attend. The Chair shall give notice of cancellation to members of PAC at least two (2) hours prior to the scheduled meeting time, where practicable. The Chair shall post public notice of the cancellation as soon as practicable. The Chair may reschedule cancelled meetings with PAC's consent. Public notice for rescheduled regular or special meetings shall be posted at least eighteen (18) hours prior to the scheduled starting time.

Section 8. Five (5) members of the Commission shall constitute a quorum. A concurring vote of five (5) of the voting members currently serving on PAC is required for PAC to act on any matter except as otherwise permitted by these bylaws. If the effective voting membership of PAC is reduced because of a conflict of interest, a majority of the remaining voting members currently serving on PAC shall be required for an action of PAC. The right to vote is limited to members of PAC actually present at the time the vote is taken at a lawfully called meeting.

Section 9. Except for the election of officers, voting shall be by voice and a show of hands. If the vote is not unanimous, a roll call vote shall be taken and recorded in the minutes.

Section 10. PAC shall arrange to keep minutes of all meetings, which shall be a record of PAC's consideration and actions, and which shall include at a minimum a list of those members present and not present at each meeting; identifying information, where given, of all persons appearing before PAC; a copy of each resolution or other matter acted upon by PAC and a description of the outcome of each action. The minutes shall be filed in the Community Services Area and shall be a public

record.

Section 11. All meetings of PAC and its committees shall be open to the public and conducted in accordance with the Michigan Open Meetings Act (PA 267 of 1976), as amended. Closed sessions may be called for purposes listed in the Open Meetings Act.

Section 12. Public comment shall be allowed at all meetings. An individual may speak for up to three (3) minutes on any item listed on the agenda. The Chair may extend an individual's speaking time in his/her discretion. Public comment on non-agenda items may be limited in the Chair's discretion.

Article VIII Agenda and Order of Business

Section 1. Agendas for each PAC meeting shall be developed by the Chair and the Manager of Parks and Recreation Services or other delegated staff member. Agendas for all regular meetings shall be made available to the public and other PAC members at least forty-eight (48) hours before the meeting's scheduled starting time.

Section 2. The order of business at regular meetings shall be as follows. The order of business may be suspended or modified by a majority vote of those members present.

- a) Roll Call
- b) Approval of Agenda
- c) First Public Comment
- d) Approval of Minutes of Previous Meetings
- e) Presentations
- f) Reports
- g) Regular Business (Agenda Items)
- h) New Business (Non-Agenda Items)
- i) Second Public Comment (Not Limited to Agenda Items)
- j) Communications
- k) Closed Session
- l) Adjournment

Article IX Committees

Section 1. PAC may create standing or special committees to further the purposes, objectives, and duties of PAC. Standing committees may, but need not be, described in the bylaws. Committees shall be limited to performing the tasks delegated to them by PAC. Each committee shall include at least one (1) member of PAC and may contain other community members in PAC's discretion.

Section 2. Members of committees shall be appointed by the Chair in consultation with the Parks and Recreation Services Manager and approved by PAC.

Section 3. The Budget and Finance Committee is a standing committee that advises PAC on financial matters arising as part of the work delegated to PAC by City Council. The Chair of PAC shall nominate a chair of the Budget and Finance Committee, who shall be approved by a two-thirds majority of PAC.

Section 4. The Land Acquisition Committee is a standing committee of the whole of PAC that considers proposals to acquire land that arise as part of the work delegated to PAC by City

Council. The Chair of PAC shall serve as the chair of the Land Acquisition Committee.

Article X Parliamentary Authority

Section 1. The rules contained in the current edition of Robert's Rules of Order Newly Revised shall guide PAC except where they are inconsistent with these bylaws.

Section 2. PAC shall not adopt or follow any operating rules, regulations, or guidelines in addition to these bylaws.

Article XI Amendment of Bylaws

Section 1. Proposed amendments to these bylaws may be approved at any regular meeting by a two-thirds vote of the nine (9) voting members currently serving on PAC. Proposed amendments must have been submitted in writing at the previous regular meeting to be considered. Proposed amendments must be submitted to the Office of the City Attorney for review and shall not be effective until approved by City Council, which shall have final discretion to modify these bylaws.

Section 2. These bylaws shall be reviewed by PAC each September for possible amendment.

Article XII Miscellaneous

Section 1. Unless otherwise provided by City Council, the staff of the Community Services Area shall be the primary provider of administrative support and professional advice to PAC and the Manager of Parks and Recreation Services shall be the primary liaison between the Community Services Area and PAC.

Section 2. The Ann Arbor City Attorney's Office shall be the legal consultant to PAC.

Article VIII, Section 4, 9, and 10
January 17, 2006

**Proposed Amendment To The Bylaws
Of The Park Advisory Commission
November 17, 2009**

Whereas, The current bylaws state that standing Committees of PAC may contain “other community members” and,

Whereas, The bylaws stipulate that such other community members may serve in PAC’s discretion and that membership on committees shall be open to community members as deemed appropriate by the Chair and,

Whereas, the current bylaws lack a stipulation for the form of such discretion and measure of appropriateness for a decision by the Chair,

Resolved, that the bylaws be amended to read “Members of committees shall be appointed by the Chair in consultation with the Parks and Recreation Services Manager and approved by **the body of PAC in the form of a unanimous vote by the members present at the time that nominations are considered.**”

1. **The nature of the project.**

This will be a temporary public art project located at four points along the Huron River. The project is scheduled to be in place by April 10th 2010. (For further details see the full project description in attachment). Specific information on size, materials and length of project are dealt with below.

2. **The materials that you intend to use.**

My sculptures will be made of bronze. The base will be made of concrete. Natural stones will be placed on top of the base to help it fit more naturally into the environment.

3. **The number and locations of installations that you propose.**

There will four artworks: one in Argo Pond, one near the Broadway Street Bridge, one in the Arboretum and one in Gallup Park. See attached maps with information on exact setting and placement.

4. **The funding source and amounts for the manufacture of your installation.**

The funds for manufacturing the artworks are supplied by the University's Witt Residency program and my own personal funds. The funding from the University for materials alone is \$5000. Since additional money for the project will be coming out of my personal funds I do not reveal the cost of the production unless a party is interested in purchasing the work. Then I am very willing to itemize the cost of materials and production. Aside from the raw materials we will be purchasing we will also be putting in hundreds of hours in the fabrication process. In this respect all the costs for the project will be absorbed by myself and the University. In other words we will be providing a free event for the city.

5. **The funding source and amounts for the maintenance of the installation.**

Since the project is intended as a short-lived event, and the materials are made of lasting quality we do not anticipate maintenance costs. If a given artwork is damaged it will be quickly removed from the site and returned to university property.

6. **The life expectancy of the amenity.**

The project will last anywhere from two weeks to two months. This time-frame is still open, because we are waiting to hear feedback from the city on what timeframe would be most suitable for their purposes. If we are referring to the life expectancy of the artworks then bronze is considered one of the most lasting of materials. Its time span is hundred if not thousands of years.

7. **What legal access and permits are required?**

We are seeking a Joint Permission Application from the Michigan Department of Environmental Quality (MDEQ).

8. **What other governmental entities you would need to work with, and what permits need to be secured?**

Aside from the above mentioned permit –as well as permission from PAC - I am not aware of any other legal hurdles we would encounter. Below is a list of people from both the University and the City who have been informed of our intentions. In October we meet as a group and there was general consensus that the project would be a good idea. In our meet no additional permits were mentioned.

Heather Blatnik, Robert Grese, Jerry Hancock, Laura Rubin, Dave Borneman, Amy Beth Kuras, Timothy Cullen, Lara Treemore-Spears, Jason Tallant, Jason Frenzel, Cheryl Saam, and Matt Warba

9. [The recreational value of the project?](#)

I covered this aspect of the project in some detail in my presentation to the PAC., however, I am enclosing a list of potential benefits that can be derived from public art.

10. [The environmental impact of the project.](#)

The sculptures and bases will be moved first to a parking lot located close to the installation site, and then carried to the actual site by hand, or hand cart. The works will then be put in place by hand. In other words, two-three people will carry the artworks from the path over the embankment and then place them in the water. The same process will be employed when removing the works. Realistically, I think the works will have about as much impact on the environment as a jogger running on the path ways or someone fishing from the shoreline.

11. [Your estimated time table for securing all of the needed information and permits along with an estimated date for the installations.](#)

I will get all basic information to the PAC by December 7th. After that we will need PAC to sign off on submitting the permission to the Michigan Department of Environmental Quality (MDEQ). I would like this to happen by December 18th 2009. I mention that date because it is the last date that Heather Blatnik, who will be submitting permit application, will be in her office. After that she will be on holiday until the 5th of Jan. 2010. Once the permit is submitted it can take 45-60 days to meet State requirements (that time frame includes the public discussion period). That process would take us to early March 2010. That would allow us one month to deal with any further questions before the installation date, presently set for the first week of April 2010.

[In addition, I believe that the following information will be needed in order for PAC to provide a recommendation to City Council:](#)

1. [We will need to see specific designs of the individual art pieces with dimensions and materials to be used in order to know what it is that we are recommending be installed.](#)

See enclosed drawings for specifics on size and forms.

2. [We will need to know if vehicles and other heavy equipment will need to drive in to sensitive shoreline areas for the installations, what impact this activity will have on those areas, and what remedy will be provided to repair any damage to habitat and the general ecosystem.](#)

We only drive vehicles up to existing parking lots. From that point we will either carry the works by hand, or will transport them with small hand carts. The hand cart will represent a weight roughly equivalent to some riding a bicycle on a path.

3. [A map of specific locations proposed in order to allow for site evaluations by staff and commissioners.](#)

Maps of each location are provided in separate attachment. Refer to point 3 above. I believe this is basically the same information.

List of Possible Roles, or Benefits that can be derived from Art in Public Spaces

- Art can extend the human potential to experience and enrich our environment.
- Art can help to maintain the humanity of our environment and public spaces.
- Art can create common experiences and develop the potential for communal interaction.
- Art can interject, or remind us of the creative dimension of being human.
- Art can raise a discussion about the natural tension between individuals and society as a whole.
- Art can create a departure from the norm; creating new situations that might reveal deeper levels of understating our place in the larger world.
- Art can provide a forum for connecting the private, the subjective, or idiosyncratic, with the larger public.
- Art can extend the human potential to experience and enrich our environment.
- Art can help to maintain the humanity of our environment and public spaces.
- Art can create common experiences and develop the potential for communal interaction.
- Art can provide a context; give a sense of scale and dimension to a place.
- Art can reveal something unique about the character of a place; help to reveal its hidden character.
- Art can make people more aware of the environment and consider the relationship between ourselves and nature, and between the city and the wider world.
- Art can intervene with nature; having a critical attitude aligned to ethical and aesthetic issues.
- Art can draw attention to an ecological problem and perhaps offer a solution.
- Art can reveal the process and language of nature.
- Art can help bridge the gap between nature and culture
- Art can make hidden values more visible.
- Art can remind us of history, events and shared memories.
- Art can make the uninviting space more inviting. The inaccessible place more accessible. The uncomfortable place more welcoming and the dark space more light.
- Art can help to simulates discussions about the potential of the public space.
- Art confronts reality; questions our habits and asks can things be different.

ART ALONG THE HURON RIVER – AN OPEN INVITATION TO ENGAGEMENT

As part of the Witt Visiting Artist program I have been invited to the University of Michigan to help organize an interdisciplinary public art project aimed at exploring the potential of our public spaces.

The goal of the project is to realize a series of artworks, interventions, performances and collaborative research efforts that will take place on campus and in the city parks of Ann Arbor. This event is scheduled to be in place by the end of the spring term and stay up through summer 2010.

I am especially interested in how disciplines such as art and design, science and engineering, architecture and landscape architecture, poetry and the performing arts might together work toward providing a new synthesis in how we approach our public spaces. I am hoping this public art project can create a framework where people from these various disciplines can develop and showcase their works and ideas in a public setting; an example of discourse and action in the world.

In this project we will examine both natural and man-made spaces; particularly in light of the so-called nature/culture divide, or to put it in a more positive light, to explore the intersection where nature and culture can converge in meaningful and beneficial ways. Of course the boundary between nature and culture is a very fluid one and therefore open to inquiry and interpretation.

I would like to see artworks, projects, interventions and performances which illuminate hidden or neglected dimensions of nature, while perhaps also redefining our relationships toward it. While the immediate goal of this project would be to heighten visitors' experience of the parks and pathways of Ann Arbor, what I am aiming for is a wide-ranging examination of how our various disciplines can shed light on our relationship with the environment.

In this public art project I would like to see what Robert Irwin defines as a, 'site-determined' approach to the public space. This approach stands in contrast to the sculpture-park or gallery out-of-doors approach to the public space. In this respect the object or artwork should be considered as only one of the elements within a wider matrix of considerations. In this site-determined approach each artwork, performance or intervention should evolve out of an intimate dialogue with a particular setting.

This approach to the public space calls for a hands-on assessment of the various levels in which we move through and experience a particular site: all the tactile or haptic components, the particular historical context, personal memory and emotional layers, how people use the site, the overall social/political atmosphere, as well as the intangible dimensions each site engenders. It is my hope that if this detailed "reading" of the various sites along the Huron River can be conjoined with developments in our respective disciplines we could see the beginning of a new model for engaging the environment; one that arise out of an on-going dialogue with the world around us.

CITY OF ANN ARBOR AND PUBLIC SCHOOLS FOR THE CITY OF ANN ARBOR

AGREEMENT REGARDING JOINT RECREATION PROGRAMS – 2010/2011

This Agreement Regarding Joint Recreation Programs (this “Agreement”) is made as of this ____ day of _____, 2010 between the **CITY OF ANN ARBOR**, a Michigan municipal corporation (the “City”), having its offices at 100 N. Fifth Avenue, Ann Arbor, Michigan 48104, and the **PUBLIC SCHOOLS FOR THE CITY OF ANN ARBOR**, a body corporate organized and existing under the Michigan Revised School Code (“AAPS”), having its offices at 2555 S. State Street, Ann Arbor, Michigan 48106.

The circumstances underlying the execution of this Agreement are as follows:

- A. The City and AAPS have conducted joint recreation programs over a period of more than eighty (80) years.
- B. The joint recreation programs (the “Programs”) currently include baseball, softball, kickball, soccer, field hockey, flag football, and lacrosse which are played on some fields and designated park spaces that are owned by the City and some fields that are owned by AAPS. The fields and designated park spaces currently used in the Programs that are owned by the City are listed on attached Exhibit A, and the fields currently used in the Programs that are owned by AAPS are listed on attached Exhibit B. “Programs” are limited to activities advertised as being offered through AAPS Community Education and Recreation (“Rec & Ed”).
- C. The parties wish to allocate and memorialize their respective responsibilities with respect to the Programs.

NOW THEREFORE, the parties agree as follows:

1. Scope of Agreement. This Agreement shall serve to allocate responsibilities with regard to all fields and park spaces on which the Programs are conducted. If a field or park space owned by the City or a field owned by AAPS is added to the Programs, this Agreement shall be deemed to apply to such additional fields.
2. Responsibilities of AAPS. AAPS shall have the following responsibilities with regard to the Programs:
 - (a) Administer the Programs and coordinate and schedule in conjunction with Ann Arbor Parks and Recreation Services, the use of all fields and park spaces (City owned and AAPS owned) for each season in which the Programs are conducted. Such responsibilities include issuing permits for use of the fields; qualifying teams and individuals to participate in the Programs; promulgating schedules; processing all applications for permits to use fields and issuing (or if deemed necessary, revoking) permits; and collecting fees for the Programs. AAPS shall make the scheduling software program used by AAPS to schedule the Programs, which is updated in real time, available online for viewing by Ann Arbor Parks and

Recreation Services. City and AAPS staff shall meet annually to review the scheduling software program. All events shall be identified by AAPS in the field schedule submitted to Ann Arbor Parks and Recreation as either Rec & Ed (RE) or Private (P) use.

- (b) Provide the City's Field Operations Services Unit with a schedule for each City owned field or park space used in the Programs at least seven (7) days prior to scheduled use.
- (c) During the season of the Programs, issue permits for usage of City owned and AAPS owned fields to third parties or groups who are not participating in any of the Programs, although AAPS shall be entitled to give priority to participants in the Programs over any such third parties or groups. AAPS shall identify such permits in the field schedule as Private Use (P). AAPS shall pay the City for cost recovery for third parties or groups that are not participating in any of the Programs according to the schedule provided in Exhibit C. Payment shall be made by December 1st of each year, at the conclusion of the program season.
- (d) Except as provided in paragraph 3(b) below, appropriately maintain all fields (including mowing all fields) owned by AAPS that are used in conjunction with the Programs.
- (e) With regard to all fields used for baseball, softball, and kickball (whether owned by the City or by AAPS): (i) remove bases and cap holes before grooming on each day on which a game is scheduled (excluding games that are being canceled due to other conditions, field conditions or other reasons); (ii) on game days, remove excess water from the fields; (iii) on game days, mark foul lines, batter's boxes, three foot lanes, sixteen foot circles, coach's boxes, catcher's boxes and other basic field markings; (iv) set pitcher's plates and bases on game days; (v) on weekdays, determine whether the fields are playable after 3:00 pm (vi) for scheduled events, make any lighting schedule adjustments needed on-site on the day of the event via the Musco Lighting toll-free number or web site, or pass responsibility for lighting schedule adjustments to field users, as desired (vii) if programmed activity necessitates the pitching mounds, batters boxes and home plate area on Veterans Memorial Field 5 and West Park Baseball fields to be rebuilt during the course of the playing season, AAPS or its subcontractor shall be allowed to make any improvements deemed necessary to restore them to their original condition at their own expense and (viii) if necessary and at its own expense, AAPS or its subcontractor may utilize City supplied materials at Veterans Memorial, West Park and Southeast area to fill in depressions that are collecting water in order to facilitate scheduled games.
- (f) AAPS may groom any designated park space for the purposes of preparing the field for interscholastic baseball or softball games for the use of any

AAPS high school or middle school. AAPS shall provide the City's Field Operations Services Unit with a schedule for each City owned field or Park space that AAPS will groom for the above stated purpose seven (7) days prior to scheduled use.

- (g) Perform field repairs on AAPS owned fields as required to maintain them in a suitable playing condition.
- (h) On an annual basis, aerate, seed, top soil and fertilize AAPS owned fields to maintain them in a suitable playing condition.
- (i) Pay the rate of twenty-five (\$25.00) dollars per hour to the City for the actual use of field lights for night games at any City owned baseball fields. Partial hours shall be rounded up to the next 15 minute increment and payable at the rate of six dollars and twenty-five cents (\$6.25) per 15 minutes.
- (j) Provide notice and pay the reasonable cost of time and materials to the City for supplying, setting, and removing home plates and bases as provided in 3(g) below, or supply, set, and remove home plates and bases as needed.
- (k) AAPS shall reimburse the City for anchor placement for the installation of more than two (2) base lengths per field in accordance with Exhibit C.

3. Responsibilities of City. The City shall have the following responsibilities with regard to the Programs:

- (a) Mow all City owned fields and park spaces periodically to maintain them in suitable playing condition.
- (b) Groom all City owned fields, scheduled for baseball, softball or kickball use in advance by AAPS, as conditions allow and as deemed necessary by City, to ensure suitable playing conditions. Groom only those AAPS owned fields scheduled for use in advance by AAPS. City must have a minimum seven (7) day advanced notice to groom City and AAPS owned fields, unless otherwise approved by the City Field Operations Services Unit.
- (c) Remove trash and loose litter from all City owned fields and park spaces and empty trash receptacles used in connection with such fields on a regular basis.
- (d) Open, close and maintain restrooms at City owned fields (where applicable).

- (e) Store all bases, pitcher's plates and home plates on all baseball and softball fields. Storage location to be determined mutually by both parties on an annual basis.
 - (f) On weekdays at all fields (whether owned by the City or by AAPS), determine whether the fields are playable between 9:00 am and 3:00 pm.
 - (g) On all fields (whether owned by the City or AAPS), when requested 30 days in advance by AAPS, supply and set pitcher's plates, home plates and bases at the beginning of each season.
 - (h) Perform field repairs on City owned fields as required to maintain them in a suitable playing condition. Provide a supply of infield material at Veterans Memorial Park, West Park, Southeast Area Park and other parks as needed to fill minor infield irregularities due to depressions resulting in water collecting.
 - (i) Irrigate City Owned fields that have existing irrigation systems based on environmental and cultural needs in order to maintain a healthy stand of grass and adequate field conditions.
 - (j) Aerate, over seed and top-dress City owned fields annually, at a minimum, to maintain them in a suitable playing condition. City owned fields with existing irrigation systems shall be fertilized based on environmental and cultural needs.
 - (k) Give AAPS staff access to City owned fields as required to perform the services described in paragraph 2(h).
 - (l) The City shall ensure the integrity and playability of two (2) base lengths per field prior to the start of the AAPS scheduled events in the spring of each year.
4. Expenses; Fees. Except as specifically provided in paragraphs 2 and 3, AAPS shall perform the responsibilities described in paragraph 2 at its sole cost and expense, and the City shall perform the responsibilities described in paragraph 3 at its sole cost and expense. AAPS shall be entitled to charge fees for the services that it is providing for both Programs and third party activities in the form of entrance or registration fees for teams or individual players. In addition, AAPS is required to charge third party users or groups not participating in the Programs fees in accordance with Exhibit C. The fees may reflect a premium for players that are not residents of the City and may also reflect a different premium for players that are not residents of the AAPS District. AAPS shall be entitled to retain all of the proceeds from AAPS fees, with the exception of cost recovery fees which shall be collected in accordance with Exhibit C and remitted to the City. Payment shall be made by December 1st of each year, at the conclusion of the season.

5. No Impact on Recreation Advisory Commission. Pursuant to certain prior actions or policies, the City and AAPS have established a Recreation Advisory Commission. Nothing in this Agreement is intended to affect the existence, function, composition or responsibilities of the Recreation Advisory Committee.
6. Insurance/Indemnification. The City shall maintain commercial general liability insurance with respect to all fields owned by the City, and AAPS shall maintain commercial general liability insurance with respect to all fields owned by AAPS. Any such insurance policies shall be subject to the following requirements:
- (a) It shall be maintained with an insurance company that is authorized to do business in the State of Michigan and shall carry and maintain a minimum rating assigned by A.M. Best & Company's Key Rating Guide of "A-Overall and a minimum Financial Size Category of "V".
 - (b) It shall name the other party to this Agreement as an additional insured.
 - (c) It shall be considered as primary to any other insurance maintained by the other party (i.e., the party named as an additional insured), including any self-insured retentions.
 - (d) It shall have minimum limits of liability of two million (\$2,000,000) dollars.

Each party shall provide the other party with a certificate with respect to its insurance coverages within twenty (20) days of the date of this Agreement, and thereafter within twenty (20) days after any written request for such certificate.

To the fullest extent permitted by law, for any loss not covered by insurance under this Agreement, each party shall indemnify, defend and hold harmless the other party, its officers, employees and agents from and against all suits, claims, judgments and expenses, including reasonable attorney's fees, resulting from any negligent, grossly negligent, reckless and/or intentional wrongful or tortious acts or omissions by the other party or its officers, employees and agents occurring in the performance of such party's responsibilities under this Agreement.

Notwithstanding the above, each party retains the right to assert any defenses it may have to any actions or causes of action, whether in law or equity, including but not limited to government immunity.

7. Term / Termination. This Agreement shall commence on _____, 2010 and shall terminate on December 1, 2011. This Agreement may be terminated by either party in the case of a breach of this Agreement by the other party, if the breaching party has not corrected the breach within 15 days after written notice of the breach. The parties shall have the option to renew this Agreement or a portion thereof, on 90 days advance written notice, for 2 successive 2-year periods upon the same terms and conditions herein, if mutually agreed upon in writing. The City may approve renewals of this Agreement administratively, as long as the

renewals are substantially similar to the general scope and intent of this Agreement.

- 8. Assignment. Neither party may assign its rights under this Agreement. Notwithstanding the foregoing, either party may subcontract any of its responsibilities under this Agreement to third parties, although no such subcontract shall relieve the party of such responsibilities.
- 9. Notice. All notices required under this Agreement shall be by personal delivery or by first-class mail, postage prepaid, to the address stated in the Preamble to this Agreement or to such other address as either party may designate by prior written notice to the other. Notice shall be considered delivered under this Agreement when personally delivered to other party or one (1) business day after being placed in the United States mail, postage prepaid and addressed to the other party as provided above.
- 10. Amendments. This Agreement may not be altered, amended or modified except by a written amendment signed by the City and AAPS.
- 11. Choice of Law. This Agreement shall be construed, governed and enforced in accordance with the laws of the State of Michigan.
- 12. Severability. If a clause of the Agreement is found by a court to be invalid, that finding will not invalidate any other clause or provision of this Agreement.
- 13. No Prior Representations. Neither party has relied on any prior representations in entering into this agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date and year first above written.

MEMORANDUM

TO: Parks Advisory Commission

FROM: Colin Smith, Parks & Recreation Services Manager

DATE: December 15, 2009

SUBJECT: Resolution to Recommend Approval of an Agreement Regarding Joint Recreation Programs Between the City and Ann Arbor Public Schools

Attached for your consideration is a resolution recommending approval of an agreement regarding joint recreation programs between the City and the Ann Arbor Public Schools.

The agreement is an updated version to replace an expiring agreement. City Staff and Ann Arbor Public School Staff worked cooperatively to make amendments and improvements to the expiring agreement in a timely fashion.

The general tone and content of the agreement remains unchanged. The following are highlighted differences:

- The new agreement includes all AAPS use of park space for sports including, but not limited to, soccer, field hockey, flag football, and lacrosse. The expiring agreement pertained only to baseball, softball, and kickball.
- Better outlines City responsibilities for baseball field conditions.
- Allows for AAPS to groom any designated park space for the purposes of preparing the field for interscholastic baseball or softball games.
- Provides for supplies of infield material to be stored at fields so that on-going field maintenance may occur.
- Allows the City and AAPS to renew this agreement if mutually agreed upon in writing.
- Allows the City greater flexibility in scheduling and programming events on certain City Parks by better reflecting AAPS usage levels.

Prepared by: Colin Smith, Parks & Recreation Services Manager

RESOLUTION TO RECOMMEND APPROVAL OF AN AGREEMENT REGARDING
JOINT RECREATION PROGRAMS BETWEEN THE CITY AND ANN ARBOR PUBLIC
SCHOOLS

Whereas, The City and the Ann Arbor Public Schools have conducted joint recreation programs for over 80 years;

Whereas, The previous agreement has expired; and

Whereas, The proposed agreement retains the general tone and intent of the original agreement while incorporating amendments and improvements;

RESOLVED, That the attached agreement become effective according to the dates in the attached schedules once signed by both parties; and

RESOLVED, That the Parks Advisory Commission recommends that the Mayor and City Council approve this agreement.

Prepared by: Colin Smith, Parks & Recreation Services Manager
Submitted by: Parks & Recreation Services
Date: December 15, 2009

MEMORANDUM

TO: Parks Advisory Commission

FROM: Colin Smith, Parks and Recreation Services Manager

DATE: December 7, 2009

SUBJECT: Resolution to Recommend Approval of Vehicle Parking at Allmendinger and Frisinger Parks during University of Michigan Home Football Games.

Attached for your review and recommendation is a resolution to approve parking vehicles for a fee at Allmendinger and Frisinger Parks on University of Michigan (UM) home football games beginning with the 2010 football season.

There are seven scheduled UM home football games for the 2010 season. The dates are as follows: Saturday September 4th, 11th and 25th, Saturday October 9th and 16th, and Saturday November 6th and 20th. UM football games bring an estimated 108,000 people to the City of Ann Arbor to watch the football games, many that require parking for their vehicles.

Surrounding areas to park include the UM golf course, Ann Arbor Golf and Outing, Pioneer High School and many private homes and businesses. The City of Ann Arbor has two park locations within one mile of the UM Football Stadium – Allmendinger Park, located approximately .30 miles from the stadium and Frisinger Park, located approximately .90 miles away.

Various city staff have met internally to discuss this opportunity including Police, Community Standards, Field Operations, Parks and Recreation and the City Forester.

It is being recommended that vehicular parking at Allmendinger and Frisinger parks be allowed during UM home football games beginning with the 2010 football season. Fees to park vehicles at Allmendinger Park will be \$15/vehicle and at Frisinger Park, \$10/vehicle. Attached is a spreadsheet detailing the associated expenses and estimated revenue.

Field Operations staff will prepare the parking areas the day before home games. This will consist of roping and staking off areas for parking to prevent compaction of existing tree root zones, delivering of additional trash receptacles, cleaning restrooms and checking on portable toilets. There will be four portable toilets at Frisinger and six at Allmendinger to accommodate the additional visitors. At the conclusion of the parking season, Field Operations will fill in any depressions or ruts with top soil, aerate and overseed the entire parking area and any egress points. Staff feel comfortable that damage to the parks can be managed and

mitigated. Costs related to this are included in the attached expenses spreadsheet.

Parks and Recreation Services will have four staff at each park to facilitate parking during game days. Staff will place parking signs, collect money and direct vehicles. At the start of the games half-time, two staff will be allowed to leave and the remaining two staff will stay until 2 hours after the games conclusion to assist customers exiting the park and perform minor clean-up. This is consistent with surrounding areas parking policies.

Field Operations staff will return to the parks on Sunday morning to complete the clean-up, remove roping and staking and clean restrooms.

Staff have calculated the number of possible vehicles to be parked at Allmendinger Park as 350 and at Frisinger Park as 200. This assumes each vehicle will use 290 square feet which is a standard parking spot size. Allmendinger Park has 3.6 acres available for vehicle parking and Frisinger Park has 1.5 acres available.

Below are recommended guidelines and policies related to parking vehicles at Allmendinger and Frisinger Parks on UM home football game days:

- The City of Ann Arbor will not be responsible for loss or damage to vehicles or their contents parked for football games.
- The City of Ann Arbor prohibits possession of open intoxicants and the consumption of alcoholic beverages within Allmendinger and Frisinger Parks.
- All drivers should be alert to instructions from uniformed police officers and City personnel who will be directing traffic nearby and within park locations.
- Spaces are available on a first-come, first serve basis. Spaces may not be reserved for later arriving vehicles.
- Vehicles may begin parking at 8am on home football game days.
- Overnight parking is prohibited. All vehicles must vacate the parks within two hours after the end of the game or vehicles may be towed.
- No RV's or buses are allowed.
- Parking area personnel will have final decision on location of vehicles.
- There will be no parking on days where there is high likelihood of rain or the prior inclement weather has rendered the parks unsuitable for parking vehicles. Final decision of parking and rain will take place on the Friday before the game and will be posted on the City's website, twitter account and Facebook account.

RESOLUTION TO RECOMMEND APPROVAL OF VEHICLE PARKING AT
ALLMENDINGER AND FRISINGER PARKS DURING UNIVERSITY OF
MICHIGAN HOME FOOTBALL GAMES .

Whereas, City staff have researched the idea of parking vehicles at Allmendinger and Frisinger parks on UM home football game days;

Whereas, The City of Ann Arbor has two parks located within 1 mile of UM football stadium – Allmendinger (.30 miles) and Frisinger (.91 miles) parks;

Whereas, City staff have been directed to research new ways of generating revenue;

Whereas, Parking at Frisinger and Allmendinger parks may result in net revenue of between \$22,000 and \$34,000 for the General Fund;

RESOLVED, That the Parks Advisory Commission recommend that the Mayor and City Council approve parking vehicles at Allmendinger and Frisinger Parks on UM home football game days.

Submitted by : Parks and Recreation Services
Date: December 7, 2009

Estimated expenses and revenue for vehicular parking at Allmendinger Park for 2010/11 UM football games

Rate: \$15.00 per vehicle

		Number of Units	Expense	Revenue
Parking Area	3.6 Acres			
Total Vehicles	350			\$36,750

Park Planning Capital Project Update December, 2009

Buhr Park

- The ice rink floor system was replaced due to numerous leaks in the refrigeration system that could not be repaired. The concrete slab was poured on December 4 and now has to cure for 28 days. The rink is slated to open in mid-January.

Bridge Repairs

- Repair of the vehicle bridges at Bandemer Park and Gallup Park are underway. The Gallup bridge is open, with the only remaining work being the replacement of the railings to meet code. The Bandemer bridge is still closed due to issues with the welding, but should reopen by mid-December.

Burns Park

- Two benches, kiosk and picnic table are being installed at the Petanque Court.

Cobblestone Farm Barn

- Renovation of the kitchen in the Cobblestone Barn is planned for February, 2010.

Farmers Market

- New light fixtures and a sound system have been installed and the sheds have been painted. Remaining work includes the bird screens and column repair.

Fuller Pool

- Two shade structures were constructed in the pool area. The existing structures were painted to match the new ones.

Kempf House

- The barrier free ramp was replaced with a sloping sidewalk. The fence along the frontage of the property was replaced. Work is complete.

Leslie Golf Course

- Replacement of pedestrian bridges and cart paths is complete with only punch list items remaining.

Mary Beth Doyle Park

- Construction of the disc golf course is complete except for the course map. The Rotary Club planted over 60 trees in the park.

Olson Park

- Naturalized planting management continues as part of a multi-year contract.
- A shade structure and bench were installed in the dog park area.

PROS Plan

- Will be scheduling first task force meeting in January. Two interns will be assisting with the plan.

Veterans Memorial Park Ice Arena

- Renovation of the arena locker rooms and the extension of the fire suppression system is complete. The new dehumidification/air handling was installed. Final work includes connecting the unit and installing ductwork.

West Park

- Major renovation of the park is scheduled for summer, 2010 including stormwater master plan implementation, access improvements, seat walls at the bandshell, and basketball court replacement.
- Federal stimulus funding has been tentatively granted for the project.

www.a2gov.org/parks

City of Ann Arbor 2008 – 2013 Park Maintenance and Capital Improvements Millage Status: For Fiscal Years 2009 and 2010

City of Ann Arbor voters approved a six-year park millage in November 2006 that funds current, ongoing improvements to Ann Arbor's park system, which consists of 157 parks spanning over 2,088 acres. The table below lists park development, maintenance and improvement projects funded through your support of this millage; the fiscal year (FY) in which the improvement occurred is indicated. Also indicated on this table are park improvements made possible through other funding sources, as specified.

If you have questions or comments regarding the projects below, please contact Parks and Recreation Services Manager Colin Smith at 734.794.6000, ext. 42500, or cssmith@a2gov.org. We hope you enjoy all that the Ann Arbor parks system has to offer!
