

WHAT DID YOU LEARN IN
SPANISH CLASS THIS YEAR?

I learned everything my teachers tried to teach me.

I learned most of the things my teachers tried to teach me.

I learned a little bit of what my teachers tried to teach me.

I didn't learn very much Spanish at all.

WHAT DO YOU THINK ABOUT
YOUR SPANISH TEACHERS?

They were nice.

They were mean.

They were strict.

They let us get away with a lot.

They had a lot of rules.

They knew a lot of Spanish.

They taught me really well.

They taught me pretty well.

They didn't teach me very well.

Anything else?

**HOW DID YOU FEEL ABOUT YOUR
BEHAVIOR IN SPANISH CLASS?**

I listened and did my best to learn all the time.

I listened a bit and was only a little bit silly sometimes.

I was silly a lot but still learned a lot.

I didn't listen very much but I still learned a lot.
