Boot Camp

Ann Arbor SPARK held its 23rd Entrepreneur Boot Camp on October 16th and 17th, at The Kensington Court in Ann Arbor. Boot Camp integrates the Lean Startup Methodology into its curriculum to help our early stage companies assess and validate the feasibility of their business concept, build their business model, and find beta customers. Companies are guided by a “drill instructor” and are matched with mentors to assist with their pressing start-up needs and to share resources in their industries. On November 20th, the Best of Boot Camp award was given to PlanReaction. This comes just one week after the company was awarded \$25,000 in the IT category at the Accelerate Michigan Innovation Competition. PlanReaction is also a seated incubator tenant at SPARK Central.
