

Notice of Proposed 2559-2825 Burton Road Residential Development Site Plan and Neighborhood Meeting

Postcards are being sent to all residents living within 1,000 feet of the project site giving notice that a petition will be submitted on or before 3/31/2014. This is an opportunity to review and comment on the plans. The petitioner will consider your comments with regard to any plan revisions, and will forward all comments to the City Planning Department.

Project Location: the site is located on the east side of Burton Road, west of US-23 and north of Packard.

Neighborhood Meeting Date and Location: Wednesday 3/5/2014, Pittsfield Elementary School, 2543 Pittsfield Blvd., Library Room, 6:00 PM to 8:00 PM.

Project Description: A residential apartment complex with 5 residential buildings and a clubhouse. 80 total residential units with 145 parking spaces and 20 bicycle spaces. This plan has a current site plan approval. The only proposed addition to the plan is a sound wall that runs then entire length of the east property line, between the freeway and the apartment buildings. The Site Plans will also be available for review in the City Hall lobby after 3/31/2014. The City Planning Commission is expected to consider the site plan on 5/20/2014.

Questions or comments: Please contact James Gorenflo at Midwestern Consulting prior to 3/21/2014, at burtcom@midwesternconsulting.com, or call (734) 995-0200.
