Subject: Freedom of Information Act Request dated February 14, 2011
11-068 Vielmetti

Dear Mr. Vielmetti:

I am responding to your request under the Michigan Freedom of Information Act, dated February 14, 2011 and received February 15, 2011. Your request for Ann Arbor Housing Commission records with regard to bedbugs is granted in part and denied in part. Your request is denied to the extent that the Housing Commission does not possess correspondence or reports sent to the Washtenaw County Public Health Department. Your request is also denied to the extent that the following redactions have occurred:

Information of a personal nature if public disclosure of the information would constitute a clearly unwarranted invasion of an individual's privacy. MCL 15.243(1)(a)

With regard to the bedbug treatment tracking sheet, 15 incidents of treatment are listed; however, only 11 units were involved due to repeat treatments at four of them.

The City does not warrant or guarantee the accuracy of the information provided. Rather, it provides the documents only to comply in good faith with the Michigan Freedom of Information Act, and not for any other purpose.

If you receive written notice that your request has been denied, in whole or in part, under Section 10 of the Act, you may, at your option either: (1) submit to the City Administrator a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal of the disclosure denial; or (2) file a lawsuit in the circuit court to compel the City's disclosure of the record. If after judicial review, the circuit court determines that the City has not complied with the Act, you may be awarded reasonable attorneys' fees and damages as specified under the Act.

If you have any questions concerning this response, please contact Laurie Foondle, FOIA Coordinator, (734)794-6140, ext. 41413.

Sincerely,

Jacqueline Beaudry
City Clerk
