Subject: Freedom of Information Act Request dated January 15, 2009
09-024 Hampel

Dear Mr. Hampel:

I am responding to your request under the Michigan Freedom of Information Act, dated January 15, 2009 and received January 16, 2009. Your request for "copies of the master statements for city purchasing cards that cover charges from June 1, 2008 through the date of this request [January 15, 2009]" is granted in part and denied in part. The information you have requested has been denied to the extent that account numbers and card holder names have been redacted for privacy and security reasons. MCL 15.243(1)(a) and (u).

The City does not warrant or guarantee the accuracy of the information provided. Rather, it provides the documents only to comply in good faith with the Michigan Freedom of Information Act, and not for any other purpose.

If you receive written notice that your request has been denied, in whole or in part, under Section 10 of the Act, you may, at your option either: (1) submit to the City Administrator a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal of the disclosure denial; or (2) file a lawsuit in the circuit court to compel the City's disclosure of the record. If after judicial review, the circuit court determines that the City has not complied with the Act, you may be awarded reasonable attorneys' fees and damages as specified under the Act.

If you have any questions concerning this response, please contact Steve Bartha, City FOIA Coordinator, (734)794-6210, ext. 42198.

Sincerely,

Jayne S. Miller
Community Services Administrator
