Subject: Freedom of Information Act Request received June 11, 2018
1452 Hayner

Dear Jeffrey Hayner:

I am responding to your attached request under the Michigan Freedom of Information Act received June 11, 2018. Your request is denied to the extent that the records do not exist.

If you receive written notice that all or a portion of your request has been denied, then under Sec. 10 of the Freedom of Information Act (FOIA) and Sec. 16 of the City's FOIA Procedures and Guidelines you may, at your option, either 1) submit to the City Administrator, within 180 days of the date of this response, a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal of the denial; or 2) commence a civil action in the Washtenaw County Circuit Court to compel the City's disclosure of the record. If, after judicial review, the circuit court determines that the City has not complied with the Act and orders disclosure of all or a portion of a public record, you may be awarded reasonable attorney's fees and damages as specified under the FOIA.

The City's FOIA Procedures and Guidelines and Written Public Summary are available online at www.a2gov.org/FOIA.

If you have any questions concerning this response, please contact Jennifer Alexa, Deputy Clerk, at 734-794-6140.

Sincerely,

Jacqueline Beaudry
City Clerk

FOIA Request - 1452 - Hayner

I am requesting a list of all residential or mixed-use building projects that included residential uses approved by city council from Jan 1 2017 to June 8 2018, and the total number of units and bedrooms for each project, for any/all projects meeting this definition:

- 1) a site plan including multiple buildings (example North Sky)
- 2) a site plan for a building with multiple units, apartments or condos (example The Collegian North)
- 3) a remodel that added residential units including ADUs
- 4) new construction of any apartments or condos including Ann Arbor Housing Commission projects

It's possible that a list of all projects, both commercial and residential, passing through Planning Department may already exist, if so, there is no need to separate out the residential projects I will accept a complete list.
